

CHEMZ MX5 Spray 'N Clean

Part No. 7665 (500ml)

- Cuts through road grime and grease
- Leaves a streak free visible shine
- Spray on – Wipe off or hose off
- For use on all types of bikes

CHEMZ MX5 Spray 'N Clean is formulated with a unique combination of cleaning, degreasing and polishing agents.

CHEMZ MX5 Spray 'N Clean effectively cuts through grease and grime removing film from motorcycle tanks, fairings, guards, paniers, rims, cooling fans, exhaust suspension and brake units.

CHEMZ MX5 Spray 'N Clean cleans gently and is safe to use. It will not smear, scratch or abrade.
